President's Letter

Doing good is so much more than being polite. Doing good is:

- Taking food to someone who has been hospitalized.
- Visiting a shut-in.
- Encouraging young people.
- Smiling at someone who is not smiling.
- Diffusing potential angry remarks by changing the subject.
- Calling an old friend who has been on your mind.
- Acknowledging cashiers by their name when checking out (it changes their entire demeanor to be recognized, especially young people).
- Be willing to forgive people - we all make mistakes.

ARC Reminders

As you start thinking about sprucing up your home for spring, remember to get any requests in to the ARC committee before their meeting on the first Tuesday of the month. Your Architectural Review Committee (ARC) will meet next on **Tuesday, June 2**, at 10:00 am upstairs in the small conference room at the Corley Center. As always, POA residents are welcome to attend.

If you plan to start a project on the exterior of your home, such as painting, construction, hardscape, door, window, roofing, or siding replacement, etc., please be sure to get your application(s) to an ARC member before that date so we can get it processed for you as soon as possible. If you aren't sure if you need an application, please call an ARC member and ask! ARC is a sub-committee of the POA Board and can only recommend applications. Applications will be presented to the Board, which will meet **June 9**, for final approval. Your approved application will then be returned to you.

Please remember that applications can only be reviewed for approval on the ARC meeting date, the first Tuesday of each month. Any applications received after that date will be reviewed at the next monthly meeting unless the repair is an emergency.
